

## Asian American College Students' Career Values and Major Choice

Dear participants,

I hope this email finds you well. We are inviting you to participate in a research and share your career development experiences. There is limited knowledge about Asian American's experience in career development and your participations will help us better understand and develop programs to facilitate the career development needs for Asian American college students.

We are particularly interested in the influencing career values and environmental factors contributing to your career decision-making process. Together, we are hoping to add to our knowledge about on this topic and better equip service providers in guiding Asian American students' career development journey.

**You are eligible for this study if** you fit in the following criteria: You are (a) 18 years old or over, (b) self-identify as Asian American, (c) currently enrolled as an undergraduate in universities/colleges in the United States.

**About your participation:** Your participation in this study is completely voluntary. You may withdraw at any time without penalty. It will take approximately 30 minutes for complete participation. All of your responses will be kept confidential and will only be available to the researchers in this study.

Upon completion of the survey, you will have the option of submitting your email address to enter into a drawing for a chance to win one of four gift certificates for \$25.

**If you would like to participate in this study, please click on the following link:**
